

## THTR60 Series Composer Collection

The Theater Collection uses larger woofers and midrange drivers than any design we have engineered before. Quad six and a half inch drivers partner with our patented DPSD 1" tweeter to deliver the accuracy and sonic linearity that was once only reserved for the worlds finest box speakers.

We are proud of our Theater Collection and know they will exceed the most critical expectations.

THTR68

THTR66

### DPSD™ Tweeter

Featured in the C68 and C66, this patented tweeter has the greatest output and is able to crossover much lower to either the woofer or the midrange improving both dispersion and the frequency response.

### Woofer Cone Materials

Designed from the ground up, we only use the finest materials for our woofers to ensure optimal performance in response with speed and precision.

### Compression Molded Baskets

These complex baskets that support the woofer cones were computer designed and compression molded with absolute precision allowing for unique support and venting elements to assure peak performance.

### EQ Adjustment

These switches on the baffle allows the adjustment of the output of either the high frequencies or both high and low frequencies to custom tailor the sound based on the proximity of the architectural elements of the room.

### Tool-less Mounting System

The SpringLock™ mounting dogs are spring loaded and require only a twist with a thumbnail to have them snap easily and securely into place.

### X-Wave™ Woofer Surround

This suspension element absorbs unwanted frequencies that reflect up and down the woofer cone to reduce harmonic distortion while maintaining the desired linear travel of the woofer.

# Specifications

Model	THTR68	THTR66
Part Number	SWML30800	SWML30600
Woofer Cone	Kevlar	Glass Fiber
Woofer Dimensions	6.5" (165mm)	6.5" (165mm)
Tweeter Dome	Silk DPSD	Silk DPSD
Tweeter Diameter	1" (25mm)	1" (25mm)
Frequency Response	40 Hz - 20 kHz	40 Hz - 20 kHz
Impedance	8 ohm	8 ohm
Power Handling	10 - 200 Watts	10 - 200 Watts
Dimensions	8.67 x 29.85" (220 x 758mm)	8.67 x 29.85" (220 x 758mm)
Grille Dimensions	9.11 x 30.29" (231 x 769mm)	9.11 x 30.29" (231 x 769mm)
Cutout Dimensions	7.875 x 29" (198 x 736mm)	7.875 x 29" (198 x 736mm)
Mounting Depth	3.78" (96mm)	3.78" (96mm)
